

Banner Departmental Billing

Requirements and EACS Authorization

Departmental Billing

SIS+ Functionality

- SIS Subcodes were controlled by passwords
- If a user knew a password, they could access the Subcode, regardless of Accountability Structure.

Banner Functionality

- Access to Dept. Billing will be granted by Dept. SAA.
- Dept. SAAs will choose which categories of Detail Codes users can access.
- Dept. SAAs will choose the access rights to the Category Code.

Demo of EACS Dept. Billing Assignment

A Few Details

- A Detail Code Category is assigned to a specific D-code Accountability Structure. If SAAs don't see any Detail Codes assignable, they may be assigned to a different Accountability Structure and need to be corrected.
- SBS will work to resolve discrepancies in Detail Codes and Category assignments ASAP once notified.

Important Banner Dates

- October 14, 2016
 - Final SIS payment due date
 - Final day for posting charges and payments in SIS
- Week of October 17, 2016
 - Conversion week
- Important Notes
 - Main Cashiers Office will remain open for all non-SIS deposits
 - CCRRS will continue to operate normally
 - For students, online payments may be available before in-person payments
