

DATE: April 26, 2018

TO: All Campus Departments

FROM: Bobbi McCracken  
Assoc. Vice Chancellor-Business & Financial Services and Controller

SUBJECT: Fiscal Closing Dates for June 30, 2018

This year's Fiscal Closing process will follow the same general timeline as the previous year's schedule. For the campus at large, closing procedures will be completed with the June Preliminary (Period 12) Ledgers. In order to achieve this schedule, it is extremely important that the cutoff dates contained in this letter be strictly followed. In addition to meeting the cutoff dates, it is recommended that the following actions be taken in each campus department:

- Continue to promptly reconcile and certify your monthly ledgers through the Ledger Reconciliation and Storage System (LRSS). See January 2017 UCRFS User Group presentation on LRSS Best Practices located at:  
[http://accounting.ucr.edu/docs/general\\_accounting/20170112-ug-ucrfs-ppt.pdf](http://accounting.ucr.edu/docs/general_accounting/20170112-ug-ucrfs-ppt.pdf)
- Thoroughly review the April (Period 10) ledgers and make all necessary prior month adjustments. Note: The Salary Cost Transfer Request tool for UCPATH transaction will be available in May. For urgent UCPATH related salary cost transfers please follow the guidance provided at the following link: <http://accounting.ucr.edu/news/20180320-revised-ucp-related-sct.html>
- Review FAUs provided to campus recharge providers for re-occurring charges to ensure accuracy and to minimize adjustments/corrections.
- Treat the May (Period 11) ledgers like Preliminary ledgers. If transactions are not on the ledgers, research them and make sure that they will be processed in time to appear on the June (Period 12) ledgers.
- Consider Period 12 Ledgers to be your Interim Ledger. Departmental adjustments cannot be processed after this ledger is closed, however, the deadline for BEAs will be extended this year.
- Please note that material transactions that were not recorded by the Period 12 cutoff and are related to FY2018 business must be communicated to the Accounting Office for accrual/deferral consideration as soon as possible.
  - To determine whether a transaction is material for reporting purposes, UCR has established the following criteria:
    - The goods and/or services are received in FY2018, but the expense is not reflected on the 6/30 campus ledgers (expense accrual).

- Services are performed in FY2018, but not billed (revenue accrual).
- Revenue is received in FY2018 for services to be conducted in FY2019 (revenue deferral).
  
- Payment for goods /services in FY2018 with expected benefit in FY2019 (expense deferral)
- Individual transactions should be evaluated for accrual/deferral based on the dollar thresholds listed below.
- As soon as the item is identified, the accrual/deferral should be communicated to Accounting. Beginning FY2018, a single materiality threshold will be used:
  - \$50,000 – July 1 to August 30

*\*Accruals/deferrals submitted by the July 5<sup>th</sup> cut-off will be reflected on the Period 12 ledgers*

The remainder of this letter addresses specific cutoff dates. Questions should be directed to the responsible office indicated after each heading. The dates appearing in the left hand margin represent "deadlines" which must be observed to ensure completion of the specific closing tasks. The deadlines are summarized in Attachment A in due date order. Attachment B provides a list of contacts by area of responsibility.

Please do not hesitate to contact Pauline Librenjak ([pauline.librenjak@ucr.edu](mailto:pauline.librenjak@ucr.edu)) or Jerry Monahan ([jerry.monahan@ucr.edu](mailto:jerry.monahan@ucr.edu)) if there are circumstances or conditions that have not been addressed in this letter.
